

## **STRENGTHEN LOCAL AND REGIONAL NETWORKS**

**INITIATIVES:** Effective Consulting Services, Expanded Resource Accessibility

- ⇒ The District will hold topical networking meetings to allow for connection and development among all levels of library staff and volunteers. Meetings may be virtual or in-person and will be held at least quarterly.
- ⇒ The District will support attendance at state, regional, and PaLA events rather than duplicating their efforts.

## **INCREASE ACCESS TO LIBRARY SERVICES THROUGHOUT THE ENTIRE COMMUNITY**

**INITIATIVES:** Equitable Service, Expanded Resource Accessibility

- ⇒ The District will continue to invest in digital resources that improve and expand library services to the general public.
- ⇒ The District will support and investigate initiatives to increase broadband access and alternative ways to deliver library services across the District.
- ⇒ The District will provide training and resources on equity, diversity, and inclusion (EDI) relevant to the specific challenges of our communities.

## **EQUIP MEMBER LIBRARIES TO DELIVER EXCELLENT SERVICE TO THEIR COMMUNITIES**

**INITIATIVES:** Empowering Professional Development, Equitable Access, Exceptional Youth Services

- ⇒ The District will conduct periodic surveys to measure long-term impact of training effectiveness, including implementation of initiatives.
- ⇒ The District will provide templates and skill building challenges for conducting advocacy work with legislators and other stakeholders.
- ⇒ The District will provide individualized and small group training upon request, including developing video tutorials for resources and statewide processes.
